## Log-in and Home Interfaces

### Login Screen

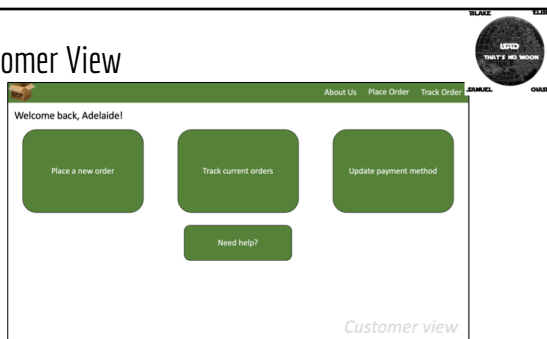

Mockup of the Login Screen. The header includes a navigation bar with 'About Us', 'Place Order', and 'Track Order'. A circular logo in the top right corner reads 'THAT'S NO MOON'. The main content area features a 'Log in to On the Spot!' section with input fields for 'Username:' and 'Password:', a 'Log In' button, a 'Create Account' button, and a 'Continue as Guest...' link. The text 'Login screen' is written in the bottom right corner.

### Employee View

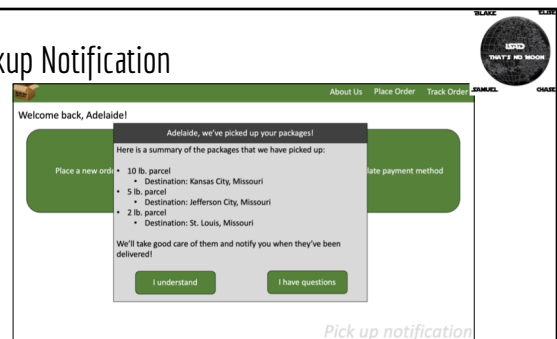

Mockup of the Employee View. The header is identical to the Login Screen. The main content area displays a 'Welcome back, Thomas!' message followed by six green buttons: 'Enter delivery information', 'Confirm delivery', 'Print receipts or labels', 'Create new order', 'Need help?', and 'Enter cash payment'. The text 'Employee view' is written in the bottom right corner.

### Customer View

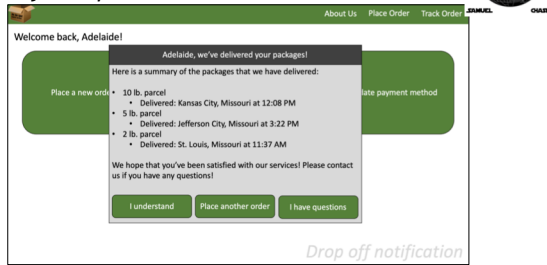

Mockup of the Customer View. The header is identical to the previous screens. The main content area displays a 'Welcome back, Adelaide!' message followed by four green buttons: 'Place a new order', 'Track current orders', 'Update payment method', and 'Need help?'. The text 'Customer view' is written in the bottom right corner.

### Pickup Notification

Mockup of the Pickup Notification. The header is identical to the previous screens. The main content area displays a 'Welcome back, Adelaide!' message. A modal window is open with the title 'Adelaide, we've picked up your packages!' and the text 'Here is a summary of the packages that we have picked up:'. The modal lists three items: '10 lb. parcel' (Destination: Kansas City, Missouri), '5 lb. parcel' (Destination: Jefferson City, Missouri), and '2 lb. parcel' (Destination: St. Louis, Missouri). It also includes the text 'We'll take good care of them and notify you when they've been delivered!' and two buttons: 'I understand' and 'I have questions'. The text 'Pick up notification' is written in the bottom right corner.
